**JOHN HENRY SCHNEIDER,**

**UNITED STATES’  
RESPONSE TO DEFENDANT JOHN  
HENRY SCHNEIDER’S MOTION FOR  
EARLY TERMINATION OF  
SUPERVISED RELEASE**

**Defendant.**

The United States of America (“Plaintiff” or “United States”) hereby responds to defendant John Henry Schneider’s motion for early termination of supervision. This case was transferred to the District of Oregon from the original District of Montana where the conviction occurred. While the United States does not oppose Mr. Schneider’s motion for early termination, we would request Mr. Schneider continue supervision for half of his original term for the following reason. Mr. Schneider’s case came to the attention of the Financial Litigation

**UNITED STATES’ RESPONSE TO DEFENDANT JOHN HENRY SCHNEIDER’S  
MOTION FOR EARLY TERMINATION OF SUPERVISION**

Program when we learned he had more than adequate assets to satisfy his restitution obligation. Defendant has since satisfied his restitution obligation in full, however, it was due to a writ of garnishment action the United States brought before this Court. Had the garnishment action not been taken, we do not believe Mr. Schneider would have voluntarily satisfied his restitution with the current assets he has available.

For that reason alone, the United States would request Mr. Schneider's term of supervision be continued for at least another six months to monitor his financial obligations in Special Condition #1 and continue to be subject to Special Condition #3.

Dated this 28th day of October, 2021.

Respectfully submitted,

SCOTT ERIK ASPHAUG  
Acting United States Attorney
